## Work Experience

SEPTEMBER 2024 – PRESENT

### Trainee Developer / Complete Full-Stack Web Development Bootcamp - Udemy

Completed online bootcamp in web development. Certificate available upon request.

DECEMBER 2023 – SEPTEMBER 2024

## **3D Capture Technician / Clear Angle Studios, Pinewood Studios, Pinewood Road, Slough SL0 ONH**

Worked on film sets / locations using specialist rigs to capture data using photogrammetry to be processed into 3D models of cast members and props which were used across a vast number of studios including the likes of Disney, Marvel and Warner Brothers.

Role Responsibilities:

- Set up, run and maintain multiple 204 camera Full Body & Prop Capture rigs.
- Processing captured data into 3D models with Reality Capture and Geomagic.
- Meticulously managing vast amounts of data from shoot days, ensuring everything was backed up, logged, and sent to production.
- Critically analyzing captured data, ensuring that it meets company and production specifications.
- Liaising with production to organize the scanning of cast and props to ensure daily targets and specifications were met.
- Working in intense high-pressure situations with A-list cast.

NOVEMBER 2015 – DECEMBER 2023

## **Carer / At Home**

Supporting my mother at home as her Carer.

Key responsibilities included:

- Shopping and meal preparation.
- Driving, arranging and accompanying to appointments.
- Providing company to support with mental health.
- Housework, including keeping the home clean and tidy.
- Managing finances, including ensuring bills were paid on time and ensuring the household finances were managed within budget.

JULY 2022 TO NOVEMBER 2022

## **Customer Service Team Member / Ocado, Stockley Close Heathrow, West Drayton UB7 9BL**

Worked as a home delivery driver ensuring excellent customer service and standards.

Key responsibilities included:

- Load and unload the vehicle, ensuring deliveries are loaded in the correct order.
- Maintaining communication with customers when deliveries are early or delayed and when there are changes to their orders.
- Planning the route and maintaining the delivery schedule, considering traffic and road delays.
- Maintaining the vehicle, inspecting before and after the shift and reporting any concerns to ensure safety at all times.

JUNE 2022

## **Warehouse Operative / Actus Industries, Shackleton Rd, High Wycombe HP12 3RH**

Hands-on support role working in the warehouse to ensure equipment was maintained and ready for deployment as required.

Key responsibilities included:

- Loading and unloading equipment from vehicles.
- Checking items for damage and reporting defects to management.
- Moving equipment from one area to another to ensure products were in the correct area and ready for collection.
- Cleaning and tidying the warehouse to maintain high standards of the working environment.
- Following health and safety requirements and regulations.

JANUARY 2015 – JUNE 2022

## **Retail & Warehouse Assistant / South Bucks Hospice Charity, Maxwell Road, Beaconsfield, HP9 1QT**

Working on the shop floor and warehouse for a local charity, using an EPOS system to assist and serve customers and general warehouse duties.

Key duties included:

Retail Shop:

- Organizing and sorting through the donations and ensuring that the store's backroom storage was organized.
- Serving customers, distributing knowledge of the workplace and the procedures for making donations.
- Calculating and inputting data for the day's takings.
- Tidying and making sure the store is presentable for customers.

Warehouse:

- Prepare and complete donations/stock for pickup.
- Receiving and processing warehouse stock (pick, unload, label, store).
- Completing daily inventory logs.
- Communicating errors to relevant parties.
- Keeping a clean and safe working environment.
